Fabri-Care. 8 oz. Jar

Item 3020. Fabri-Care, 8 Ounce Jar. Now your customers can use the same cleaning formula used by museums to clean priceless textile works. FabriCare, containing 100% Orvus®, is a safe and effective cleaner without the oils, perfumes, and additives found in household detergents (which can leave an oily residue that will attract dirt). Prewashing fabrics and threads with FabriCare before stitching will dramatically reduce the risk of colors bleeding. For cross stitch, crewel, quilting, and most types of needlework. Not recommended for needlepoint (water will remove the sizing in the canvas). Use 1 tablespoon per 1 gallon of water.
